A. Welcome to Wellcare Prime

Wellcare Prime is a Medicare-Medicaid plan in the Healthy Connections Prime program. A Medicare-Medicaid plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has care coordinators and care teams to help you manage all your providers and services. They all work together to provide the care you need.

Wellcare Prime was approved by the State of South Carolina and the Centers for Medicare & Medicaid Services (CMS) to provide you services as part of Healthy Connections Prime.

Healthy Connections Prime is a demonstration program jointly run by South Carolina and the federal government to provide better health care for people who have both Medicare and Medicaid. Under this demonstration, the state and federal government want to test new ways to improve how you get your Medicare and Medicaid health care services.

B. Information about Medicare and Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or older,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Medicaid

Medicaid is a program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs. It covers extra services and drugs not covered by Medicare. In South Carolina, Medicaid is called Healthy Connections Medicaid.

Each state decides:

- what counts as income and resources,
- who qualifies,
- which services are covered, **and**

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- the cost of those services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and South Carolina must approve Wellcare Prime each year. You can get Medicare and Healthy Connections Medicaid services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the State of South Carolina approve the plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Healthy Connections Medicaid services will not be affected.

C. Advantages of this plan

You will now get all your covered Medicare and Healthy Connections Medicaid services from Wellcare Prime, including prescription drugs. **You do not pay extra to join this health plan.**

Wellcare Prime will help make your Medicare and Healthy Connections Medicaid benefits work better together and work better for you. Some of the advantages include:

- You will be able to work with **one** health plan for **all** of your health insurance needs.
- You will have a care team that you helped put together. Your care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need.
- You will have a care coordinator. This is a person who works with you, with Wellcare Prime, and with your care providers to make sure you get the care you need.
- You will be able to direct your own care with help from your care team and care coordinator.
- The care team and care coordinator will work with you to come up with a care plan specifically designed to meet your health needs. The care team will be in charge of coordinating the services you need. This means, for example:
 - Your care team will make sure your doctors know about all medicines you take so they can reduce any side effects.
 - Your care team will make sure your test results are shared with all your doctors and other providers.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

E. What makes you eligible to be a plan member

You are eligible for our plan as long as you:

- live in our service area (incarcerated individuals are not considered living in the geographic service area even if they are physically located in it), **and**
- are age 65 or older at the time of enrollment; **and**
- have Medicare Parts A, B, and D; **and**
- are eligible for full Healthy Connections Medicaid benefits; **and**
- are a United States citizen or are lawfully present in the United States.

Even if you meet the above criteria, you are not eligible for our plan if you:

- are part of the Healthy Connections Medicaid spend-down population; **or**
- have Comprehensive Third Party Insurance; **or**
- live in an Intermediate Care Facility for people with Intellectual Disabilities (ICF/IID) or Nursing Facility at the time of eligibility determination; **or**
- are in a hospice program or are getting End-Stage Renal Disease (ESRD) services at the time of eligibility determination; **or**
- are participating in a community long-term care waiver program other than the Community Choices Waiver, HIV/AIDS Waiver, or Mechanical Ventilation Waiver.

You may choose to **either enroll or remain in Wellcare Prime** if you:

- are currently enrolled in a Medicare Advantage plan or in Program of All-inclusive Care for the Elderly (PACE). Enrolling in Healthy Connections Prime will automatically disenroll you from your existing program and any Medicare Part D plan; **or**
- transition from a Nursing Facility or ICF/IID into the community; **or**
- are already enrolled in this plan but later enter a Nursing Facility; **or**
- are enrolled in this plan but enter a hospice program or become eligible for ESRD services.

For more information, visit mmp.absolutetotalcare.com.

F. What to expect when you first join a health plan

When you first join the plan, you will get an initial health screen within the first 30 days to collect information about your medical and social history and needs.

You will also get a comprehensive assessment within the first 60 or 90 days depending on your health needs. The comprehensive assessment will take a deeper look at your medical needs, social needs, and capabilities. We will get information from you, your providers, and family/caregivers when appropriate. This assessment will be done by qualified and trained health professionals, such as nurses, social workers, and care coordinators.

We may combine your initial health screen and comprehensive assessment into one assessment that is done within the first 60 days. Generally, people who are enrolled in certain Healthy Connections Medicaid waiver programs will get the combined initial health screen and comprehensive assessment.

If your comprehensive assessment shows you have very high health needs, you may be required to complete a Long Term Care Assessment with a registered nurse. The Long Term Care Assessment determines whether you need additional care in a nursing facility or through a community-based waiver.

If Wellcare Prime is new for you, you can keep using the doctors you use now and keep your current service authorizations for 180 days after you first enroll. During this time period, you will continue to have access to the same medically necessary items, services, and prescription drugs as you do today. You will also still have access to your medical, mental health and Long Term Services and Supports (LTSS) providers.

Many of your doctors and other providers are in our network already, but if they are not, after 180 days in our plan, you will need to use doctors and other providers in our network. We may help you transition to a network provider in less than 180 days once we have completed your comprehensive assessment, developed a transition plan, and only if you agree. A network provider is a provider who works with the health plan. Refer to Chapter 3, Section A, page 33 for more information on getting care.

G. Your care plan

Your care plan is the plan for what health services you will get and how you will get them.

After your comprehensive assessment, your care team will meet with you to talk about what health services you need and want. Together, you and your care team will make your care plan.

Every year, your care team will work with you to update your care plan if the health services you need and want change.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

H. Wellcare Prime monthly plan premium

Wellcare Prime does not have a monthly plan premium.

I. The *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all of the rules in this document. If you think we have done something that goes against these rules, you may be able to appeal or challenge our action. For information about how to appeal, refer to Chapter 9, Section D, page 166, or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the number at the bottom of the page. You can also refer to the *Member Handbook* at mmp.absolutetotalcare.com or download it from this website.

The contract is in effect for the months you are enrolled in Wellcare Prime between January 1, 2023 and December 31, 2023.

J. Other important information you will get from us

You should have already gotten a Wellcare Prime Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*.

J1. Your Wellcare Prime Member ID Card

Under our plan, you will have one card for your Medicare and Healthy Connections Medicaid services, including long-term services and supports and prescriptions. You must show this card when you get any services or prescriptions. Here's a sample card to show you what yours will look like:

If your card is damaged, lost, or stolen, call Member Services right away and we will send you a new card.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

As long as you are a member of our plan, you do not need to use your red, white, and blue Medicare card or your Healthy Connections Medicaid card to get services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Wellcare Prime Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. Refer to Chapter 7, Section A, page 138, to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in the Wellcare Prime network. While you are a member of our plan, you must use network providers to get covered services. There are some exceptions when you first join our plan (refer to page 11).

You can ask for a *Provider and Pharmacy Directory* by calling Member Services at the number at the bottom of the page. You can also refer to the *Provider and Pharmacy Directory* on our website listed at the bottom of the page or download it from this website.

The *Provider and Pharmacy Directory* gives information such as addresses, phone numbers, and business hours. It tells if the location has accommodations for individuals with disabilities. The *Provider and Pharmacy Directory* also says if providers are accepting new patients and if they speak other languages. Both Member Services and the website can give you the most up-to-date information about providers and pharmacies. If you need help finding a network provider or pharmacy, please call Member Services. If you would like a *Provider and Pharmacy Directory* mailed to you, you may call Member Services, ask for one at the website link listed at the bottom of the page, or email ATC_SC_MMP@centene.com.

Definition of network providers

- Wellcare Prime's network providers include:
 - Doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - Home health agencies, durable medical equipment suppliers, waiver services providers, long-term services and supports providers, and others who provide goods and services that you get through Medicare or Healthy Connections Medicaid.

Network providers have agreed to accept payment from our plan for covered services as payment in full.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Definition of network pharmacies

- Network pharmacies are pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the number at the bottom of the page for more information. Both Member Services and Wellcare Prime's website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short. It tells which prescription drugs are covered by Wellcare Prime.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to Chapter 5, Section C, page 119 for more information on these rules and restrictions.

Each year, we will send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, visit our website using the information at the bottom of the page or call Member Services at the number at the bottom of the page.

J4. The Explanation of Benefits

When you use your Part D prescription drug benefits, we will send you a summary to help you understand and keep track of payments for your Part D prescription drugs. This summary is called the *Explanation of Benefits* (or EOB).

The EOB tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. The EOB has more information about the drugs you take. Chapter 6, Section A, page 132, gives more information about the EOB and how it can help you keep track of your drug coverage.

An EOB is also available when you ask for one. To get a copy, contact Member Services.

K. How to keep your membership record up to date

You can keep your membership record up to date by letting us know when your information changes.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

The plan's network providers and pharmacies need to have the right information about you. **They use your membership record to know what services and drugs you get and how much it will cost you.** Most services are free, but it is very important that you help us keep your information up-to-date.

Let us know the following:

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage, such as from your employer, your spouse's employer or your domestic partner's employer, or workers' compensation

If any information changes, please let us know by calling Member Services at the number at the bottom of the page.

You can also update your information by visiting our website at mmp.absolutetotalcare.com. Click on the "Login" button. Log in or create a new account. Then send us a secure message. Call Member Services if you have any questions or need help.

K1. Privacy of personal health information (PHI)

The information in your membership record may include personal health information (PHI). Laws require that we keep your PHI private. We make sure that your PHI is protected. For more information about how we protect your PHI, refer to Chapter 8, Section C, page 146.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

A. Information about “services,” “covered services,” “providers,” and “network providers”

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. Covered services are any of these services that our plan pays for. Covered health care and LTSS are listed in the Benefits Chart in Chapter 4, Section D, page 54.

Providers are doctors, nurses, and other people who give you services and care. The term providers also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

Network providers are providers who work with the health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting your health care, behavioral health services, and long-term services and supports (LTSS) covered by the plan

Wellcare Prime covers all services covered by Medicare and Healthy Connections Medicaid. This includes behavioral health and LTSS.

Wellcare Prime will generally pay for the health care and services you get if you follow plan rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means that it must be included in the plan's Benefits Chart. (The chart is in Chapter 4, Section D, page 54 of this handbook).
- The care must be **medically necessary**. Medically necessary means that the services are reasonable and necessary:
 - For the diagnosis or treatment of your illness or injury; **or**
 - To improve the functioning of a malformed body member; **or**
 - Otherwise medically necessary under Medicare law.
- In accordance with Healthy Connections Medicaid law and regulation, services must be:
 - Essential to prevent, diagnose, prevent the worsening of, alleviate, correct, or cure medical conditions that endanger life, cause suffering or pain, cause physical

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

- deformity or malfunction, threaten to cause or aggravate a handicap, or result in illness or infirmity;
- Provided at an appropriate facility at the appropriate level of care for the treatment of your medical condition; **and**
 - Provided in accordance with generally accepted standards of medical practice.
- You must have a network **primary care provider (PCP)** who has ordered the care or has told you to use another doctor. As a plan member, you must choose a network provider to be your PCP.
 - In most cases, your network PCP must give you approval before you can use someone that is not your PCP or use other providers in the plan's network. This is called a **referral**. If you don't get approval, Wellcare Prime may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. To learn more about referrals, refer to page 37.
 - You do not need a referral from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP. To learn more about this, refer to page 37.
 - To learn more about choosing a PCP, refer to page 35.
 - **You must get your care from network providers.** Usually, the plan will not cover care from a provider who does not work with the health plan. Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider. To learn more and to find out what emergency or urgently needed care means, refer to Section I, page 42.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get the care from an out-of-network provider. Prior authorization from the plan is generally required for out-of-network services. In this situation, we will cover the care at no cost to you. To learn about getting approval to use an out-of-network provider, refer to Section D, page 35.
 - The plan covers kidney dialysis services when you are outside the plan's service area or when your provider for this service is unavailable or inaccessible for a short time. You can get these services at a Medicare-certified dialysis facility.
 - When you first join the plan, you can continue using the providers you use now for 180 days or until we have completed your comprehensive assessment and

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

created a transition plan that you agree with. If you need to continue using your out-of-network providers after your first 180 days in our plan, we will only cover that care if the provider enters a single case agreement with us. If you are getting ongoing treatment from an out-of-network provider and think they may need a single case agreement in order to keep treating you, contact your care coordinator by calling the number at the bottom of the page.

C. Information about your care coordinator

Your care team includes a care coordinator from Wellcare Prime, along with anyone you choose (such as a family member and/or caregivers), your providers, and most importantly – you! Care coordinators are used to ensure you receive the best outcome for your care. In order to ensure your care coordinator understands your health care needs, they will ask questions about your current health care. This will ensure you receive the appropriate care coordination. Care coordination is the way your care team works with you, your family, and your providers to ensure all of your needs are coordinated. Our care coordinators give both you and your providers information to make sure you get the most appropriate treatment.

C1. What a care coordinator is

- Your care coordinator helps you manage all of your providers and services. He or she works with your care team to make sure you get the care you need.

C2. How you can contact your care coordinator

- You can contact your care coordinator by calling the number at the bottom of the page.

C3. How you can change your care coordinator

- If for some reason you want to change your care coordinator, you can make this request by calling our plan at the number at the bottom of the page.

D. Care from primary care providers, specialists, other network providers, and out-of-network providers

D1. Care from a primary care provider (PCP)

You must choose a PCP to provide and manage your care.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Definition of “PCP,” and what the PCP does for you

When you become a member of our plan, you must choose a plan provider to be your PCP. Your PCP is a provider who meets the state's requirements to be a PCP and is trained to give you basic medical care. As we explain below, you will get your routine or basic care from your PCP.

If Wellcare Prime is new for you, you can keep seeing the doctors you go to now and keep your current service authorizations for 180 days after you first enroll. See Chapter 1, Section F, page 11 for more information.

Your PCP can be one of the following providers, or under certain circumstances, even a specialist:

- Family practice
- Internal medicine
- General practice
- Obstetrician-Gynecologist (OB/GYN)
- Geriatrics
- Certified Nurse Practitioner (CNP)
- Federally Qualified Health Center (FQHC)/Rural Health Clinic (RHC)

Your PCP will also coordinate the rest of the covered services you get as a plan member. If needed, your PCP will send you to other doctors (specialists) or admit you to the hospital.

- Your PCP determines what specialists and hospitals you will use because they have affiliations with certain specialists and hospitals in our network.
- Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our plan. This includes:
 - Care from doctors who are specialists
 - Hospital admissions
 - Follow-up care
 - X-rays
 - Laboratory tests
 - Therapies

Coordinating your services includes checking or consulting with other plan providers about your care and how it is going. If you need certain types of covered services or supplies, your PCP or specialist will need to get prior authorization (prior approval) from us.

Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP's office. Chapter 8, Section C, page 145 tells you how we will protect the privacy of your medical records and personal health information.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Once you are enrolled in Wellcare Prime, your PCP, together with you and anyone else you choose to have involved (such as a family member and/or caregivers), will construct an individualized care plan designed just for you. Your care coordinator will work with you and your PCP to develop your care plan and to ensure you receive the care you need. Your PCP is responsible for coordinating all your medical care and for calling upon additional specialists, if necessary. Your care plan will include all of the services that your PCP or care coordinator has authorized for you to receive as a member of Wellcare Prime. Your PCP or a member of the Care Coordination Team reviews and approves any changes to the care plan to make sure you get the right care. Your PCP or care coordinator reassesses your needs at least every 365 days, but more frequently if necessary.

Your choice of PCP

You can choose any network PCP listed in the *Provider and Pharmacy Directory*. Please review our *Provider and Pharmacy Directory* or call Member Services to choose your PCP. You can contact Member Services by calling the number at the bottom of the page.

Option to change your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network. We can help you find a new PCP if the one you have now leaves our network.

If you wish to change your PCP, please call Member Services at the number at the bottom of the page. You will be issued a new ID card showing the new PCP. The change will be effective the first day of the following month.

Under certain circumstances, our providers are obligated to continue care after leaving our network. For specific details, contact Member Services.

Services you can get without first getting approval from your PCP

In most cases, you will need approval from your PCP before using other providers. This approval is called a referral. You can get services like the ones listed below without first getting approval from your PCP:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.
- Urgently needed care from out-of-network providers when you can't get to a network provider (for example, when you are outside the plan's service area or you need immediate care during the weekend).

NOTE: Services must be immediately needed and medically necessary.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area. (Please call Member Services before you leave the service area. We can help you get dialysis while you are away.)
- Flu shots and COVID-19 vaccinations as well as hepatitis B vaccinations and pneumonia vaccinations as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

Some services and items will require getting approval in advance from us (this is called getting "prior authorization"). Prior authorization is an approval process that happens before you get certain services. If the service you need requires prior authorization, your PCP or other network provider will request the authorization from our plan. Appropriately licensed, qualified health professionals supervise the prior authorization process and all approval decisions. It is very important to talk to your PCP before you see a plan specialist or certain other providers (there are a few exceptions, including routine women's health care that we explained earlier in this section). The PCP can help to coordinate that visit to the specialist. If a specialist feels you need additional specialty services, the specialist will ask for authorization directly from Wellcare Prime. For information about which services require prior authorization, see the benefits chart beginning on Chapter 4, Section D, page 54 of this handbook.

If there are specific specialists you want to use, find out whether your PCP sends patients to these specialists. Each plan PCP has certain plan specialists they use for referrals because they have affiliations with certain specialists and hospitals in our network. This means that the PCP you select may help determine the specialists you see. You may change your PCP at any time if you want to see a plan specialist that your current PCP won't refer you to. Covered services that need approval first are marked in the benefits chart in bold type. The benefits chart is in Chapter 4, Section D, page 54 of this handbook.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Please refer to the section above, "Option to change your PCP," where we tell you how to change your PCP. If there are specific hospitals you want to use, you must find out whether the doctors you will be seeing use these hospitals.

D3. What to do when a provider leaves our plan

A network provider you are using might leave our plan. If one of your providers does leave our plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.
- We will make a good faith effort to give you at least 30 days' notice so that you have time to select a new provider.
- We will help you select a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to ask for, and we will work with you to ensure, that the medically necessary treatment you are getting is not interrupted.
- If we cannot find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care.
- If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to make an appeal of our decision. Refer to Chapter 9 for information about making an appeal.

If you find out one of your providers is leaving our plan, please contact us so we can assist you in finding a new provider and managing your care. Please call Member Services at 1-855-735-4398 (TTY: 711). Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day.

D4. How to get care from out-of-network providers

You may get services from out-of-network providers when providers of specialized services are not available in network. For services to be covered from an out-of-network provider, your in-network provider (usually your PCP) must request prior authorization (approval in advance) from Wellcare Prime.

We will attempt to determine if the services needed are available within our network of specialists.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

If the service is not available within our plan's network, your request will be approved. There may be certain limitations to the approval, such as one initial consultation visit or a specified type or amount of services. If the specialist's services are available within our plan's network, the request for services outside the network may be denied as "services available in network". As with any denial, you will have the ability to appeal the determination.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Healthy Connections Medicaid.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Healthy Connections Medicaid.
- If you use a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

E. How to get behavioral health services

Behavioral health services are available to all Wellcare Prime members. Most individual outpatient treatments described in Chapter 4 are covered with an in-network provider with prior authorization. For information about which services require prior authorization, see the benefits chart in Chapter 4, Section D, page 54 of this handbook. To get other behavioral health services please contact your care coordinator or PCP.

F. How to get long-term services and supports (LTSS)

Long-term services and supports (LTSS) help meet your daily needs for assistance and help improve the quality of your life. LTSS can help you with everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided in your home or in your community, but they could also be provided in a nursing home or hospital.

LTSS are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. Those waivers are:

- Community Choices waiver
- HIV/AIDS waiver
- Mechanical Ventilator Dependent waiver

Members on different waivers can get different kinds and amounts of LTSS. If you think you need LTSS, you can talk to your care coordinator about how to access them and whether you can join one

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

of these waivers. Your care coordinator can give you information about how to apply for an appropriate waiver and all of the resources available to you under the plan.

Refer to the *Provider and Pharmacy Directory* for more information about these programs.

LTSS benefits can be available to members that are not enrolled in a waiver program if the member's condition or diagnosis makes them medically necessary. If you are not part of a waiver program but would like to know if you qualify for LTSS, you can talk to your care coordinator about how to access them and whether you can join one of these waivers. Your care coordinator can provide you with resources available to you under our plan and information about how to apply for an appropriate waiver.

G. How to get self-directed care

G1. What self-directed care is

Self-directed care allows Wellcare Prime members to hire their own personal care attendant or provider. The member (the person receiving the attendant services, Wellcare Prime member, or surrogate) is the employer of the personal care attendant or provider and is fully responsible for recruiting, hiring, scheduling, training, and, if necessary, firing the attendant. The member can also select to have a surrogate help them choose their personal care attendant services

G2. Who can get self-directed care

Self-directed care is available to all Wellcare Prime waiver members. Self-directed care can be available to members that are not enrolled in a waiver program if the member's condition or diagnosis makes them medically necessary.

G3. How to get help in employing personal care providers

Self-directed care requires prior authorization (approval in advance). To self-direct contact your care coordinator. The care coordinator will provide:

- A clear explanation that self-direction of personal care attendant services is voluntary, and that the extent to which members would like to self-direct is the member's choice;
- A clear explanation of the options to select self-directed supports or personal care provided by an agency; and
- An overview of the supports and resources available to assist members to participate to the extent desired in self-direction.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

H. How to get transportation services

If you need information about transportation services, contact your care coordinator or waiver case manager. You can reach your care coordinator by calling the number at the bottom of the page.

In addition to the transportation assistance that Wellcare Prime provides, you can call the transportation provider at 1-866-910-7684, from 8 a.m. to 5 p.m., Monday through Friday. TTY users call 711.

I. How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

I1. Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health; **or**
- serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part.

What to do if you have a medical emergency

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You do **not** need to get approval or a referral first from your PCP. You do not need to use a network provider. You may get emergency medical care whenever you need it, anywhere in the U.S. or its territories from any provider with an appropriate state license.
- **As soon as possible, make sure that you tell our plan about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you will not have to pay for emergency services because of a delay in telling us. Please contact your care coordinator at the number at the bottom of the page.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Covered services in a medical emergency

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. However, Medicare and our plan do not cover emergency care outside the United States and its territories.

If you need an ambulance to get to the emergency room, our plan covers that. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in Chapter 4, Section D, page 54.

The providers who give emergency care decide when your condition is stable and the medical emergency is over. They will continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. After the emergency is over, you may need follow-up care to be sure you get better. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible. If the provider that is treating you for an emergency takes care of the emergency but thinks you need other medical care to treat the problem that caused the emergency, the provider must call your care coordinator at the number at the bottom of the page. By notifying your care coordinator, this will ensure you receive the follow-up care needed to stabilize your condition and/or keep your condition from reoccurring.

What to do if you have a behavioral health emergency

If you have a behavioral health emergency:

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that you tell our plan about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you will not have to pay for emergency services because of a delay in telling us. Please contact your care coordinator at the number at the bottom of the page.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Note: If you are traveling, Medicare and our plan do not provide coverage for emergency behavioral health care outside of the United States and its territories

Getting emergency care if it wasn't an emergency after all

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care only if:

- you use a network provider, **or**
- the additional care you get is considered "urgently needed care" and you follow the rules for getting this care. (Refer to the next section.)

12. Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or a severe sore throat that occurs over the weekend and need to have it treated.

Urgently needed care when you are in the plan's service area

In most situations, we will cover urgently needed care only if:

- you get this care from a network provider, **and**
- you follow the other rules described in this chapter.

However, if it is not possible or reasonable to get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

To access urgently needed services, you should go to the nearest urgent care center that is open. If you are seeking urgent care in our service area, you should look in the *Provider and Pharmacy*

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Directory for a listing of the urgent care centers in your plan's network or visit mmp.absolutetotalcare.com.

Urgently needed care when you are outside the plan's service area

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States.

I3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from Wellcare Prime.

Please visit our website for information on how to obtain needed care during a declared disaster: mmp.absolutetotalcare.com.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at the in-network cost-sharing rate. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please refer to Chapter 5, Section A8, page 116 for more information.

J. What to do if you are billed directly for services covered by our plan

Do not pay directly for services that Healthy Connections Medicaid covers.

If a provider sends you a bill instead of sending it to our plan, you can ask us to pay the bill.

If you pay the provider, we can't pay you back, but the provider will. Member Services or the Healthy Connections Prime Advocate can help you contact the provider's office. Refer to the bottom of the page and Chapter 2, Section I, page 29 for their phone numbers.

You should not pay the bill yourself. If you do, our plan may not be able to pay you back.

If you have paid more than your share for covered services or if you have gotten a bill for covered medical services, refer to Chapter 7, Section A, page 138 to learn what to do.

J1. What to do if services are not covered by our plan

Wellcare Prime covers all services:

- that are medically necessary, **and**

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- that are listed in the plan's Benefits Chart (refer to Chapter 4, Section D, page 54),
and
- that you get by following plan rules.

If you get services that aren't covered by our plan, **you must pay the full cost yourself.**

If you want to know if we will pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9, Section D, page 166 explains what to do if you want the plan to cover a medical item or service. It also tells you how to appeal the plan's coverage decision. You may also call Member Services to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you go over the limit, you will have to pay the full cost to get more of that type of service. Call Member Services to find out what the limits are and how close you are to reaching them.

Our plan is not allowed to reimburse members for Healthy Connections Medicaid-covered benefits. If you have questions about the benefits covered by Healthy Connections Medicaid, you can call Healthy Connections Medicaid (see Chapter 2, Section H, page 28) or you can call Member Services at the number at the bottom of the page.

K. Coverage of health care services when you are in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, and you express interest, someone who works on the study will contact you. That person will tell you about the study and find out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care not related to the study.

If you want to participate in any Medicare-approved clinical research study, you do *not* need to tell us or get approval from us or your primary care provider. The providers that give you care as part of the study do **not** need to be network providers.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

However, we encourage you to tell us before you start participating in a clinical research study. If you plan to be in a clinical research study, you or your care coordinator should contact Member Services to let us know you will be in a clinical trial.

K2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study and Medicare will pay for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you are part of a study that Medicare has **not approved**, you will have to pay any costs for being in the study.

K3. Learning more about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

L. How your health care services are covered when you get care in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is "non-excepted."

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- “Non-excepted” medical treatment is any care that is voluntary and not required by any federal, state, or local law.
- “Excepted” medical treatment is any care that is not voluntary and is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from our plan before you are admitted to the facility, or your stay will not be covered.

Our plan covers inpatient hospital care when authorized by the plan. Please see the Benefits Chart in Chapter 4, Section D, page 54 for more information.

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain items ordered by a provider such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a member of Wellcare Prime, our plan will rent most DME items for you for a maximum of 10 months. In some cases, it may be 13 months. At the end of the rental period, our plan will transfer ownership of the DME item to you, and it is considered purchased. Our plan does not pay for maintenance fees. Call Member Services to find out more.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

M2. DME ownership when you switch to Original Medicare or Medicare Advantage

If you are renting DME, there are extra things for you to consider if you decide to switch to Original Medicare or a Medicare Advantage plan.

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

Note: You can find definitions of Original Medicare and Medicare Advantage Plans in Chapter 12. You can also find more information about them in the *Medicare & You 2023* handbook. If you don't have a copy of this booklet, you can get it at the Medicare website (www.medicare.gov) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

You will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the Medicare Advantage plan, to own the DME item if:

- you did not become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or a Medicare Advantage plan.

If you made payments for the DME item under Original Medicare or a Medicare Advantage plan before you joined our plan, **those Original Medicare or Medicare Advantage plan payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.
- There are no exceptions to this case when you return to Original Medicare or a Medicare Advantage plan.

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare and you are a member of our plan, we will cover the following:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents

A. Your covered services

This chapter tells you what services Wellcare Prime pays for. It also tells how much you pay for each service. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5, Section A, page 113. This chapter also explains limits on some services.

For some services, you will be charged an out-of-pocket cost called a copay. This is a fixed amount (for example, \$5) you pay each time you get that service. You pay the copay at the time you get the medical service.

If you need help understanding what services are covered, call your care coordinator and/or Member Services at the number at the bottom of the page.

A1. During public health emergencies

Wellcare Prime will follow any and all state and/or federal guidance related to a Public Health Emergency (PHE). During a PHE, the plan will provide all necessary coverage for our members. The coverage may vary depending on the services received and the duration of the PHE. Healthy Connections Medicaid covers over-the-counter (OTC) COVID-19 tests without a prescription, with \$0 member cost share at a participating pharmacy, and will reimburse the participating pharmacy for a total of 8 OTC tests per month. Please visit our website for more information on how to obtain needed care during a PHE at mmp.absolutetotalcare.com or call Member Services. You can reach Member Services at the number at the bottom of the page.

B. Rules against providers charging you for services

We do not allow Wellcare Prime providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to Chapter 7, Section A, page 138 or call Member Services.

C. Our plan's Benefits Chart

The Benefits Chart in Section D tells you which services the plan pays for. It lists categories of services in alphabetical order and explains the covered services.

We will pay for the services listed in the Benefits Chart only when the following rules are met.

- Your Medicare and Healthy Connections Medicaid covered services must be provided according to the rules set by Medicare and Healthy Connections Medicaid.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- The services (including medical care, services, supplies, equipment, and drugs) must be medically necessary. Medically necessary means services that are reasonable and necessary for the diagnosis or treatment of your illness or injury, to improve the functioning of a malformed body member, or otherwise medically necessary under Medicare law. In accordance with Healthy Connections Medicaid law and regulation, services must be to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice. The services must also be provided in an appropriate facility for your medical condition and follow generally accepted standards of medical care.
- You get your care from a network provider. A network provider is a provider who works with the health plan. In most cases, the plan will not pay for care you get from an out-of-network provider. Chapter 3, Section D, page 35 has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care. In most cases, your PCP must give you approval before you can use someone that is not your PCP or use other providers in the plan's network. This is called a referral. Chapter 3, Section D, page 37 has more information about getting a referral and explains when you do not need a referral.
- When you first join the plan, you can continue using the providers you use now for 180 days or until we have completed your comprehensive assessment and created a transition plan that you agree with. If you need to continue using your out-of-network providers after your first 180 days in our plan, we will only cover that care if the provider enters a single case agreement with us. A single case agreement is an exception to treat the provider as an in-network provider. If you are getting ongoing treatment from an out-of-network provider and think they may need a single case agreement in order to keep treating you, contact your care coordinator at the bottom of the page.
- Some of the services listed in the Benefits Chart are covered only if your doctor or other network provider gets approval from us first. This is called prior authorization (PA). Covered services that need PA are marked in the Benefits Chart in **bold** type.
- All preventive services are free. You will find this apple 🍏 next to preventive services in the Benefits Chart.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

E. Waiver Services Operated by Community Long Term Care (CLTC) that Our Plan Pays For

Long-term services and supports (LTSS) help meet your daily needs for assistance and help improve the quality of your life. LTSS can help you with everyday tasks like taking a bath, getting dressed, and making food. Most of these services are provided in your home or in your community, but they could also be provided in a nursing home or hospital.

LTSS are available to members who are on certain waiver programs operated by the Community Long Term Care (CLTC) division of Healthy Connections Medicaid. The type and amounts of LTSS depend on the waiver you are on. If you think you need LTSS, you can talk to your care coordinator about how to access them and whether you can join one of these waivers.

LTSS benefits can be available to members that are not enrolled in a waiver program if the member's condition or diagnosis makes LTSS medically necessary.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

F. Benefits covered outside of Wellcare Prime

The following services are not covered by Wellcare Prime but are available through Medicare. You can get these services in the same way that you do today.

F1. Hospice care

You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. You can get care from any hospice program certified by Medicare. The plan must help you find Medicare-certified hospice programs. Your hospice doctor can be a network provider or an out-of-network provider.

Refer to the Benefits Chart in Section D of this chapter for more information about what Wellcare Prime pays for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis:

- The hospice provider will bill Medicare for your services. Medicare will pay for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis:

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

For drugs that may be covered by Wellcare Prime's Medicare Part D benefit:

- Drugs are never covered by both hospice and our plan at the same time. For more information, please refer to Chapter 5, Section F3, page 126.

Note: If you need non-hospice care, you should call your care coordinator to arrange the services. Non-hospice care is care that is not related to your terminal prognosis.

The following services are not covered by Wellcare Prime but are available through Healthy Connections Medicaid. You can get these services in the same way that you do today.

F2. Dental services

Diagnostics (oral evaluation and x-rays), preventive care (annual cleaning), restorative care (fillings), and surgical care (extractions/removals) are covered on a fee-for-service basis with a \$3.40 copay. Please contact your care coordinator for more information.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

F3. Non-emergency medical transportation

Transportation assistance is available to and from any medical appointment with a \$0 copay. The type of assistance will depend of the member's medical situation. Requests for urgent or same day requests (such as transportation assistance for routine hospital discharges) will be verified with health care providers to confirm that the short timing is medically necessary. **Any member needing emergency transportation should call 911.**

For more information, please contact your care coordinator or refer to the member brochure located at the website of ModivCare, who is the transportation broker: memberinfo.logisticare.com/scmember/Downloads. If you have additional questions, please contact ModivCare using the contact information for your region in the member brochure.

G. Benefits not covered by Wellcare Prime, Medicare, or Healthy Connections Medicaid

This section tells you what kinds of benefits are excluded by the plan. Excluded means that the plan does not pay for these benefits. Medicare and Healthy Connections Medicaid will not pay for them either.

The list below describes some services and items that are not covered by the plan under any conditions and some that are excluded by the plan only in some cases.

The plan will not pay for the excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under the specific conditions listed. Even if you receive the services at an emergency facility, the plan will not pay for the services. If you think that we should pay for a service that is not covered, you can file an appeal. For information about filing an appeal, refer to Chapter 9, Section D, page 166.

In addition to any exclusions or limitations described in the Benefits Chart, **the following items and services are not covered by our plan:**

- Chiropractic care, other than manual manipulation of the spine consistent with Medicare coverage guidelines.
- Cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, the plan will pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it.
- Dentures. However, dental care required to treat illness or injury may be covered as inpatient or outpatient care

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

- Experimental medical and surgical treatments, items, and drugs, unless covered by Medicare or under a Medicare-approved clinical research study or by our plan. Refer to Chapter 3, Section K, page 46 for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- Eyeglasses, regular eye exams, radial keratotomy, LASIK surgery, and other low-vision aids. However, the plan will pay for glasses after cataract surgery.
- Full-time nursing care in your home.
- Naturopath services (the use of natural or alternative treatments).
- Non-prescription contraceptive supplies.
- Orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease. Supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease.
- Personal items in your room at a hospital or a nursing home, such as a telephone or a television.
- Private room in a hospital, except when it is medically necessary.
- Routine foot care, except for the limited coverage provided according to Medicare guidelines.
- Services considered not “reasonable and necessary,” according to the standards of Medicare and Healthy Connections Medicaid, unless these services are listed by our plan as covered services.
- Services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost sharing is more than the cost sharing under our plan, we will reimburse the veteran for the difference. Members are still responsible for their cost sharing amounts.
- Surgical treatment for morbid obesity, except when it is medically necessary and Medicare pays for it.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Chapter 5: Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Healthy Connections Medicaid. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Wellcare Prime also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing home.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in Chapter 4, Section D, page 54.

Rules for the plan's outpatient drug coverage

The plan will usually cover your drugs as long as you follow the rules in this section.

1. You must have a doctor or other provider write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.
2. Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
3. You generally must use a network pharmacy to fill your prescription.
4. Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - Refer to Chapter 9, Section F3, page 184 to learn about asking for an exception.
5. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions **only** if they are filled at the plan's network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill the plan for your covered prescription drug.

If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

If the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up. You can then ask us to pay you back. If you cannot pay for the drug, contact Member Services right away. We will do what we can to help.

- To learn how to ask us to pay you back, refer to Chapter 7, Section A, page 138.
- If you need help getting a prescription filled, you can contact Member Services or your care coordinator.

A3. What to do if you change to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, you can contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy.

To find a new network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.
 - Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network or you have any difficulty getting your drugs in a long-term care facility, please contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To find a specialized pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. The drugs that are not available through the plan's mail-order service are marked with "NM" in our Drug List.

Our plan's mail-order service allows you to order up to a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Filling my prescriptions by mail

To get mail-order forms and information about filling your prescriptions by mail, call Member Services at the number at the bottom of the page. The mail-order forms are also available on our website.

Usually, a mail-order prescription will get to you within 10-14 days. If your order is delayed, contact CVS Caremark at 1-866-808-7471 (TTY: 711).

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Mail-order process

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

1. New prescriptions the pharmacy gets from you

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

2. New prescriptions the pharmacy gets directly from your provider's office

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, **or**
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by calling CVS Caremark at 1-866-808-7471 (TTY: 711).

If you used mail-order in the past and do not want the pharmacy to automatically fill and ship each new prescription, please contact us by calling CVS Caremark at 1-866-808-7471 (TTY: 711).

If you have never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allow you to cancel or delay the order before it is shipped.
- It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you got directly from your health care provider's office, please contact us by calling CVS Caremark at 1-866-808-7471 (TTY: 711).

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed.
- If you choose not to use our auto refill program, please contact your pharmacy 21 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, please contact us by calling CVS Caremark at: 1-866-808-7471 (TTY: 711).

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. You should verify your contact information each time you place an order, at the time you enroll in the automatic refill program, or if your contact information changes.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

For certain kinds of drugs, you can use the plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to the section above page 114 to learn about mail-order services.

A8. Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- You travel outside the plan's service area and need a drug that you can't get a network pharmacy close to you.
- You need a drug urgently and there is no network pharmacy that is close to you and open.
- You must leave your home due to a federal disaster or other public health emergency.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Generally, we will cover a one-time fill, up to a 30-day supply at an out-of-network pharmacy in these situations.

In these cases, please check first with Member Services to find out if there is a network pharmacy nearby.

A9. Paying you back if you pay for a prescription

If you must use an out-of-network pharmacy, you will generally have to pay the full cost when you get your prescription. You can ask us to pay you back.

To learn more about this, refer to Chapter 7, Section A, page 138.

B. The plan's Drug List

The plan has a Drug List.

The drugs on the Drug List are selected by the plan with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

B1. Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and some prescription and over-the-counter drugs and items covered under your Healthy Connections Medicaid benefits.

The Drug List includes brand name drugs, generic drugs, and biosimilars.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example, drugs that are based on a protein) are called biological products. On the Drug List, when we refer to "drugs," this could mean a drug or a biological product such as vaccines or insulin.

Generic drugs have the same active ingredients as brand name drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have alternatives that are called biosimilars. Generally, generics and biosimilars work just as well as brand name drugs *or* biological products and usually cost less. There are generic drug substitutes *or* biosimilar alternatives available for many brand name drugs and some biological products.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Our plan also covers certain over-the-counter drugs and items. Some over-the-counter drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit our website listed at the bottom of the page. The Drug List on our website is always the most current one.
- Call Member Services at the number at the bottom of the page to find out if a drug is on the plan's Drug List or to ask for a copy of the list.

B3. Drugs that are not on the Drug List

The plan does not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow the plan to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

Wellcare Prime will not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, refer to Chapter 9, Section F5, page 189.)

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Part D and Healthy Connections Medicaid drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B. Drugs covered under Medicare Part A or Part B are covered by Wellcare Prime for free, but they are not considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. The use of the drug must be either approved by the Food and Drug Administration or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare or Healthy Connections Medicaid.

- Drugs used to promote fertility

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them

B4. Drug List tiers

Every drug on the plan's Drug List is in one of three tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs).

- Tier 1 (Generic Drugs) includes generic drugs.
- Tier 2 (Brand Drugs) includes brand drugs and may include some generic drugs.
- Tier 3 (Non-Medicare Rx/OTC Drugs) includes some prescription and over-the-counter (OTC) generic and brand drugs that are covered by Healthy Connections Medicaid.

To find out which tier your drug is in, look for the drug in the plan's Drug List.

Chapter 6, Section C, page 133 tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug will work just as well as a higher-cost drug, the plan expects your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider think our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, refer to Chapter 9, Section F3, page 184.

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. In most cases, if there is a generic version of a brand name drug, our network pharmacies will give you the generic version.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- We usually will not pay for the brand name drug when there is a generic version.
- However, if your provider has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from Wellcare Prime before you fill your prescription. If you don't get approval, Wellcare Prime may not cover the drug.

3. Trying a different drug first

In general, the plan wants you to try lower-cost drugs (that often are as effective) before the plan covers drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, the plan may require you to try Drug A first.

If Drug A does not work for you, the plan will then cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, the plan might limit how much of a drug you can get each time you fill your prescription.

Find out if these rules apply to your drugs

To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Member Services at the number at the bottom of the page or check our website listed at the bottom of the page.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by the plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new and we have not yet reviewed it for safety and effectiveness.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in the section above, page 120, some of the drugs covered by the plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

D1. Getting a temporary supply

In some cases, the plan can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask the plan to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you have been taking:
 - is no longer on the plan's Drug List, **or**
 - was never on the plan's Drug List, **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You were in the plan last year.
 - We will cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply will be for up to 30 days of Part D medication and up to a 90-day supply (max 30-day supply per fill) for non-Part D (Healthy Connections Medicaid) drugs at a retail pharmacy and up to 31 days of Part D medication and up to a 98-day supply (max 31-day supply per fill) for non-Part D (Healthy Connections Medicaid) drugs at a long-term care pharmacy.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of Part D medication and up to a 90-day supply (max 30-day supply per fill) for non-Part D (Healthy Connections Medicaid) drugs at a retail pharmacy and up to 31 days of Part D medication and up to a 98-day supply (max 31-day supply per fill) for non-Part D (Healthy Connections Medicaid) drugs at a long-term care pharmacy. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- You are new to the plan.
 - We will cover a temporary supply of your drug during the first 180 days of your membership in the plan.
 - This temporary supply will be for up to 30 days of medication at a retail pharmacy and up to 31 days at a long-term care pharmacy.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of Part D medication and up to a 90-day supply (max 30-day supply per fill) for non-Part D (Healthy Connections Medicaid) drugs at a retail pharmacy and up to 31 days of Part D medication and up to a 98-day supply (max 31-day supply per fill) for non-Part D (Healthy Connections Medicaid) drugs at a long-term care pharmacy. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
 - If your level of care changes, we will cover a temporary supply of your drugs. A level of care change happens when you are released from a hospital. It also happens when you move to or from a long-term care facility.
 - If you move home from a long-term care facility or hospital and need a temporary supply, we will cover one 30-day supply. If your prescription is written for fewer days, we will allow refills to provide up to a total of a 30-day supply.
 - If you move from home or a hospital to a long-term care facility and need a temporary supply, we will cover one 31-day supply. If your prescription is written for fewer days, we will allow refills to provide up to a total of a 31-day supply.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

- You can change to another drug.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

There may be a different drug covered by the plan that works for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- You can ask for an exception.

You and your provider can ask the plan to make an exception. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

D3. Asking for an exception

If a drug you are taking will be taken off the Drug List or limited in some way for next year, we will allow you to ask for an exception before next year.

- We will tell you about any change in the coverage for your drug for next year. You can then ask us to make an exception and cover the drug in the way you would like it to be covered for next year.
- We will answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

To learn more about asking for an exception, refer to Chapter 9, Section F3, page 184.

If you need help asking for an exception, you can contact Member Services or your care coordinator.

E. Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but Wellcare Prime may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval (PA) for a drug. (PA is permission from Wellcare Prime before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, refer to Section C earlier in this chapter.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

- Check Wellcare Prime's up to date Drug List on our website listed at the bottom of the page **or**
- Call Member Services at the number at the bottom of the page to check the current Drug List.

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or will be lower.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
 - You or your provider can ask for an "exception" from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to Chapter 9, Section F3, page 184 of this handbook for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. You can talk to your doctor about other options.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, refer to Chapter 9, Section F3, page 184.

We may make changes that do not affect the drugs you take now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change will not affect your use of the drug for the rest of the year.

F. Drug coverage in special cases

F1. If you are in a hospital or a skilled nursing facility for a stay that is covered by the plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage.

F2. If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Member Services.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

F3. If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require a pain medication, anti-nausea, laxative, or anti-anxiety drug not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. Refer to the previous parts of this chapter that tell about the rules for getting drug coverage under Part D.

To learn more about the hospice benefit, refer to Chapter 4, Section D, page 54.

G. Programs on drug safety and managing drugs

G1. Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we find a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

G2. Programs to help members manage their drugs

If you take medications for different medical conditions and/or you are in a Drug Management Program to help you use your opioid medications safely, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

or other health professional will give you a comprehensive review of all your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them. In addition, you'll get information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact Member Services or your care coordinator.

G3. Drug management program to help members safely use their opioid medications

Wellcare Prime has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications **from certain pharmacies** and/or **from certain doctors**

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- **Limiting the amount** of those medications we will cover for you

If we think that one or more limitations should apply to you, we will send you a letter in advance. The letter will explain the limitations we think should apply.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we will send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can file an appeal. If you file an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we will automatically send your case to an Independent Review Entity (IRE). (To learn how to file an appeal and to find out more about the IRE, refer to Chapter 9, Section F5, page 189.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Chapter 6: What you pay for your Medicare and Healthy Connections Medicaid prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- drugs and items covered under Healthy Connections Medicaid, **and**
- drugs and items covered by the plan as additional benefits.

Because you are eligible for Healthy Connections Medicaid, you are getting “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- The plan’s *List of Covered Drugs*.
 - We call this the “Drug List.” It tells you:
 - Which drugs the plan pays for
 - Which of the three tiers each drug is in
 - Whether there are any limits on the drugs
 - If you need a copy of the Drug List, call Member Services at the number at the bottom of the page. You can also find the Drug List on our website listed at the bottom of the page. The Drug List on our website is always the most current.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Chapter 5 of this *Member Handbook*.
 - Chapter 5, Section A, page 113 tells how to get your outpatient prescription drugs through the plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs are not covered by our plan.
- The plan's *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with our plan.
 - The *Provider and Pharmacy Directory* has a list of network pharmacies. You can read more about network pharmacies in Chapter 5, Section A, page 113.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your prescription drug costs, including how much money the plan pays (or others pay on your behalf) for your prescriptions. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you or others on your behalf pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you or others on your behalf pay for your prescriptions, plus the amount the plan pays.

When you get prescription drugs through the plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got for the previous month. It shows the total drug costs, what the plan paid, and what you and others paying for you paid.
- **“Year-to-date” information**. This is your total drug costs and the total payments made since January 1.
- **Drug price information**. This is the total price of the drug and the percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs will not count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to the Drug List.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Give us copies of receipts for covered drugs that you have paid for. You can ask us to pay you back for the drug.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

To learn how to ask us to pay you back for the drug, refer to Chapter 7, Section A, page 138.

3. Send us information about the payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program, the Indian Health Service, and most charities count toward your out-of-pocket costs.

4. Check the EOBs we send you.

When you get an EOB in the mail, please make sure it is complete and correct. If you think something is wrong or missing or if you have any questions, please call Member Services. Instead of receiving a paper EOB in the mail, you now have the option of receiving an electronic EOB (eEOB). You may request the eEOB by visiting www.caremark.com. If you choose to opt-in, you will receive an email when your eEOB is ready to view, print or download. The eEOBs are also referred to as paperless EOBs. These eEOBs are exact copies (images) of printed EOBs. Be sure to keep these EOBs. They are an important record of your drug expenses.

C. You pay nothing for a one-month or long-term supply of drugs

With Wellcare Prime, you pay nothing for covered drugs as long as you follow the plan's rules.

C1. The plan's cost-sharing tiers

Tiers are groups of drugs on our Drug List. Every drug in the plan's Drug List is in one of three tiers. You have no copays for prescription and over-the-counter (OTC) drugs on Wellcare Prime's Drug List. To find the tiers for your drugs, you can look in the Drug List.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Tier 1 (Generic Drugs) includes generic drugs. The copay is \$0.
- Tier 2 (Brand Drugs) includes brand drugs.
- Tier 3 (Non-Medicare Rx/OTC Drugs) includes some prescription and over-the-counter (OTC) generic and brand drugs that are covered by Healthy Connections Medicaid. They copay is \$0.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to Chapter 5, Section A8, page 116 to find out when we will do that.

To learn more about these pharmacy choices, refer to Chapter 5, Section A, page 113 in this handbook and the plan's *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 90-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5, Section A7, page 116 or the *Provider and Pharmacy Directory*.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

C4. What you pay

Your share of the cost when you get a one-month or long-term supply of a covered prescription drug from:

	A network pharmacy	The plan's mail-order service	A network long-term care pharmacy	An out-of-network pharmacy
	A one-month or up to a 90-day supply	A one-month or up to a 90-day supply	Up to a 31-day supply	Up to a 30-day supply. Coverage is limited to certain cases. Refer to Chapter 5, Section A8, page 116 for details.

Cost Sharing Tier 2 (Brand Drugs)	\$0 copay	\$0 copay	\$0 copay	\$0 copay
Cost Sharing Tier 3 (Non-Medicare Rx/OTC Drugs)	\$0 copay	\$0 copay	\$0 copay	\$0 copay

For information about which pharmacies can give you long-term supplies, refer to the plan's *Provider and Pharmacy Directory*.

D. Vaccinations

Important Message About What You Pay for Vaccines - Our plan covers most Medicare Part D vaccines at no cost to you. There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

D1. What you need to know before you get a vaccination

We recommend that you call us first at Member Services whenever you are planning to get a vaccination.

- We can tell you about how your vaccination is covered by our plan.
- We can tell you how to keep your costs down by using network pharmacies and providers. **Network pharmacies** are pharmacies that have agreed to work with our plan. A **network provider** is a provider who works with the health plan. A network provider should work with Wellcare Prime to ensure that you do not have any upfront costs for a Part D vaccine.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Chapter 7: Asking us to pay a bill you have gotten for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs	138
B. Sending us a request for payment.....	140
C. Coverage decisions.....	141
D. Appeals	141

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

A. Asking us to pay for your services or drugs

You should not get a bill for in-network services or drugs. Our network providers must bill the plan for the services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for health care or drugs, send the bill to us. To send us a bill, refer to Section B page 140.

- If the services or drugs are covered, we will pay the provider directly.
- If the services or drugs are covered and you already paid the bill, it is your right to be paid back.
 - If you paid for services covered by Medicare, we will pay you back.
 - If you paid for services covered by Healthy Connections Medicaid, we can't pay you back, but the provider will. Member Services or the Healthy Connections Prime Advocate can help you contact the provider's office. Refer to the bottom of the page and Chapter 2, Section I, page 29 for their phone numbers.
- If the services or drugs are **not** covered, we will tell you.

Contact Member Services or your care coordinator if you have any questions. If you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask our plan to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should ask the provider to bill the plan.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you have already paid for the service, we will pay you back.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

2. When a network provider sends you a bill

Network providers must always bill the plan. Show your Wellcare Prime Member ID Card when you get any services or prescriptions. Improper/inappropriate billing occurs when a provider bills you more than the plan's cost sharing amount for services. **Call Member Services if you get any bills you do not understand.**

- Because Wellcare Prime pays the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We will pay you back for your covered services.

3. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy, you will have to pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Please refer to Chapter 5, Section A8, page 116 to learn more about out-of-network pharmacies.

4. When you pay the full cost for a prescription because you do not have your Member ID Card with you

If you do not have your Member ID Card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information.

- If the pharmacy cannot get the information they need right away, you may have to pay the full cost of the prescription yourself.
- Send us a copy of your receipt when you ask us to pay you back.

5. When you pay the full cost for a prescription for a drug that is not covered

You may pay the full cost of the prescription because the drug is not covered.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- The drug may not be on the plan's *List of Covered Drugs* (Drug List), or it could have a requirement or restriction that you did not know about or do not think should apply to you. If you decide to get the drug, you may need to pay the full cost for it.
 - If you do not pay for the drug but think it should be covered, you can ask for a coverage decision (refer to Chapter 9, Section F4, page 186).
 - If you and your doctor or other prescriber think you need the drug right away, you can ask for a fast coverage decision (refer to Chapter 9, Section F4, page 186).
- Send us a copy of your receipt when you ask us to pay you back. In some situations, we may need to get more information from your doctor or other prescriber in order to pay you back for the drug.

When you send us a request for payment, we will review your request and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide it should be covered, we will pay for the service or drug. If we deny your request for payment, you can appeal our decision.

To learn how to make an appeal, refer to Chapter 9, Section F5, page 189.

B. Sending us a request for payment

Send us your bill and proof of any payment you have made. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It is a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help.

Mail your request for payment together with any bills or receipts to us at this address:

E. Inability of network providers to bill you directly

You have financial rights. Doctors, hospitals, and other providers in our network cannot make you pay for covered services. They also cannot charge you if we pay for less than the provider charged us. To learn what to do if a network provider tries to charge you for covered services, refer to Chapter 7, Section A, page 138.

You have the right to be protected from paying any fees that Wellcare Prime is responsible for.

You have the right to not be charged any cost sharing (copays and deductibles) for Medicare Parts A and B services.

F. You have the right to leave the plan at any time

No one can make you stay in our plan if you do not want to.

- You have the right to get most of your health care services through Original Medicare or a Medicare Advantage plan.
- You can get your Medicare Part D prescription drug benefits from a prescription drug plan or from a Medicare Advantage plan.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- If you leave the plan, you will get your Healthy Connections Medicaid benefits the way you used to before you joined. They will be offered through Healthy Connections Medicaid fee-for-service.
- Refer to Chapter 10, Section C, page 213 for more information about when you can join a new Medicare Advantage or prescription drug benefit plan.

G. Your right to make decisions about your health care

G1. Your right to know your treatment options and make decisions about your health care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your health status.** You have the right to have complete and accurate information about your health status.
- **Know your choices.** You have the right to be told about all the kinds of treatment.
- **Know the risks.** You have the right to be told about any risks involved. You must be told in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say “no.”** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You also have the right to stop taking a drug. If you refuse treatment or stop taking a drug, you will not be dropped from the plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider has denied care that you believe you should get.
- **Ask us to cover a service or drug that was denied or is usually not covered.** This is called a coverage decision. Chapter 9, Section F4, page 186 tells how to ask the plan for a coverage decision.
- **Be encouraged to involve caregivers and family members in treatment discussions and decisions.**

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- **Be told in advance, in writing, if you are transferred to another treatment location and the reason for that transfer.**

G2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to **give someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how you want them to handle your health care if you become unable to make decisions for yourself.

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, your care coordinator, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Healthy Connections Medicaid, such as I-CARE (South Carolina's State Health Insurance Program, or SHIP), may also have advance directive forms.
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Keep a copy at home.
- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**

The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

G3. What to do if your instructions are not followed

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with your care coordinator or the Healthy Connections Prime Advocate.

H. Your right to have a voice in how the plan is operated

If you have feedback on how the plan is operated today, please call Member Services at the number at the bottom of the page to let us know.

I. Your right to make complaints and to ask us to reconsider decisions we have made

Chapter 9, Section C, page 165 tells what you can do if you have any problems or concerns about your covered services or care. For example, you could ask us to make a coverage decision, make an appeal to us to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other members have filed against our plan. To get this information, call Member Services.

I1. What to do if you believe you are being treated unfairly or you would like more information about your rights

If you believe you have been treated unfairly – and it is **not** about discrimination for the reasons listed in Chapter 11 of this handbook – or you would like more information about your rights, you can get help by calling:

- Member Services.
- I-CARE, the State Health Insurance Assistance Program (SHIP). For details about this organization and how to contact it, refer to Chapter 2, Section E, page 25.

J. Your responsibilities as a member of the plan

As a member of the plan, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the *Member Handbook*** to learn what is covered and what rules you need to follow to get covered services and drugs. For details about your:
 - Covered services, refer to Chapter 3, Section A, page 33 and Chapter 4, Section D, page 54. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to Chapters 5, Section A, page 113 and Chapter 6, Section C, page 133.
- **Participate in an initial health screen** upon enrollment in the plan. For more information, refer to Chapter 1, Section F, page 11 or call Member Services.
- **Participate in a comprehensive assessment** within the first 60 or 90 days of enrollment. For more information, refer to Chapter 1, Section F, page 11 or call Member Services.
- **Tell us about any other health or prescription drug coverage** you have. We are required to make sure you are using all of your coverage options when you get health care. Please call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you are enrolled in our plan. Show your Member ID Card whenever you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For almost all Wellcare Prime members, Healthy Connections Medicaid pays for your Part A premium and for your Part B premium.
 - For some of your long-term services and supports or drugs covered by the plan, you must pay your share of the cost when you get the service or drug. This will be a copay (a fixed amount). Chapter 4, Section E, page 103 tells what you must pay for your long-term services and supports. Chapter 6, Section C, page 133 tells what you must pay for your drugs.
 - **If you get any services or drugs that are not covered by our plan, you must pay the full cost.** If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to Chapter 9, Section D, page 166 to learn how to make an appeal.
- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Member Services.
 - **If you move outside of our service area, you cannot stay in this plan.** Only people who live in our service area can get Wellcare Prime. Chapter 1, Section D, page 8 tells about our service area.
 - We can help you figure out whether you are moving outside our service area.
 - Also, be sure to let Medicare and Healthy Connections Medicaid know your new address when you move. Refer to Chapter 2, Section H, page 28 for phone numbers for Medicare and Healthy Connections Medicaid.
 - **If you move within our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- **Pay estate recovery amounts after your death**
 - Estate recovery is the amount that certain members owe Healthy Connections Medicaid after their death.
 - You will not owe our plan any money, but you may owe money to Healthy Connections Medicaid for services you received before you joined our plan.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

A. What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Healthy Connections Medicaid approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

A1. About the legal terms

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- “Making a complaint” rather than “filing a grievance”
- “Coverage decision” rather than “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination”
- “Fast coverage decision” rather than “expedited determination”

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to call for help

B1. Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

D. Coverage decisions and appeals

D1. Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage. It also includes problems with payment.

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay.

If you or your doctor are not sure if a service, item, or drug is covered by Medicare or Healthy Connections Medicaid, either of you can ask for a coverage decision before the doctor gives the service, item, or drug.

What is an appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not covered or is no longer covered by Medicare or Healthy Connections Medicaid. If you or your doctor disagree with our decision, you can appeal.

D2. Getting help with coverage decisions and appeals

Who can I call for help asking for coverage decisions or making an appeal?

You can ask any of these people for help:

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Call **Member Services** at 1-855-735-4398 (TTY: 711). Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day.
- Call the **Healthy Connections Prime Advocate** for free help. The Healthy Connections Prime Advocate helps people enrolled in Healthy Connections Prime with service or billing problems. The phone number is 1-844-477-4632. TTY users should call 711.
- Call the **State Health Insurance Assistance Program (SHIP)**, known as I-CARE in South Carolina, for free help. The SHIP is an independent organization. It is not connected with this plan. The phone number is 1-800-868-9095. TTY users should call 711.
- Talk to **your doctor or other provider**. Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- Talk to a **friend or family member** and ask them to act for you. You can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Member Services and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at mmp.absolutetotalcare.com. The form gives the person permission to act for you. You must give us a copy of the signed form.
- **You also have the right to ask a lawyer** to act for you. You may call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify. If you want a lawyer to represent you, you will need to fill out the Appointment of Representative form.
 - However, **you do not have to have a lawyer** to ask for any kind of coverage decision or to make an appeal.

D3. Using the section of this chapter that will help you

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- **Section E on page 169** gives you information if you have problems about services, items, and drugs (but **not** Part D drugs). For example, use this section if:
 - You are not getting medical care you want, and you believe our plan covers this care.
 - We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered.
 - **NOTE:** Only use Section E if these are drugs **not** covered by Part D. Drugs in the *List of Covered Drugs*, also known as the Drug List, with an “NT” are **not** covered by Part D. Refer to Section F on page 182 for Part D drug appeals.
 - You got medical care or services you think should be covered, but we are not paying for this care.
 - You got and paid for medical services or items you thought were covered, and you want to ask us to pay you back.
 - You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.
 - **NOTE:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. Refer to Sections G on page 192 and Section H on page 198.
 - Your request for a coverage decision might be dismissed, which means we won’t review the request. Examples of when we might dismiss your request are: if your request is incomplete, if someone makes the request for you but hasn’t given us proof that you agreed to allow them to make the request, or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why, and how to ask for a review of the dismissal. This review is a formal process called an appeal.
- **Section F on page 182** gives you information about Part D drugs. For example, use this section if:
 - You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - You want to ask us to waive limits on the amount of the drug you can get.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- You want to ask us to cover a drug that requires prior authorization (PA) or approval.
- We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
- You want to ask us to pay for a prescription drug you already bought. (This is asking for a coverage decision about payment.)
- **Section G on page 192** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - You are in the hospital and think the doctor asked you to leave the hospital too soon.

E. Problems about services, items, and drugs (not Part D drugs)

E1. When to use this section

This section is about what to do if you have problems with your benefits for your medical services, behavioral health services, and long-term services and supports (LTSS). You can also use this section for problems with drugs that are **not** covered by Part D, including Medicare Part B drugs. Drugs in the Drug List with an "NT" are **not** covered by Part D. Use Section F for Part D drug appeals.

This section tells what you can do if you are in any of the five following situations:

1. You think we cover medical services, behavioral health services, or long-term services and supports (LTSS) you need but are not getting.

What you can do: You can ask us to make a coverage decision. Refer to Section E2 on page 170 for information on asking for a coverage decision.

2. We did not approve care your doctor wants to give you, and you think we should have.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

What you can do: You can appeal our decision not to pay. Refer to Section E3 on page 172 for information on making an appeal.

4. You got and paid for services or items you thought were covered, and you want us to reimburse you for the services or items.

What you can do: You can ask us to pay you back. Refer to Section E5 on page 181 for information on asking us for payment.

5. We reduced or stopped your coverage for a certain service, and you disagree with our decision.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections G or H on pages 192 and 198 to find out more.

How long does it take to get a coverage decision?

It usually takes up to 14 calendar days after you asked unless your request is for a Medicare Part B prescription drug. If your request is for a Medicare Part B prescription drug, we will give you a decision no more than 72 hours after we receive your request. If we don't give you our decision within 14 calendar days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

Sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a "fast coverage decision." If we approve the request, we will notify you of our decision within 72 hours (or within 24 hours for a Medicare Part B prescription drug).

However, sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

The legal term for "fast coverage decision" is "expedited determination."

Asking for a fast coverage decision:

- If you request a fast coverage decision, start by calling or faxing our plan to ask us to cover the care you want.
- You can call us at 1-855-735-4398 (TTY: 711) or fax us at 1-844-503-8866. Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. For details on how to contact us, refer to Chapter 2, Section A, page 17.
- You can also have your doctor or your representative call us.

Here are the rules for asking for a fast coverage decision:

You must meet the following two requirements to get a fast coverage decision:

1. You can get a fast coverage decision **only if you are asking for coverage for medical care or an item you have not yet received.** (You cannot ask for a fast coverage decision if your request is about payment for medical care or an item you already got.)

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

2. You can get a fast coverage decision **only if the standard 14 calendar day deadline (or the 72 hour deadline for Medicare Part B prescription drugs) could cause serious harm to your health or hurt your ability to function.**
- If your doctor says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your doctor's support, we will decide if you get a fast coverage decision.
 - If we decide that your health does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard 14 calendar day deadline (or the 72 hour deadline for Medicare Part B prescription drugs) instead.
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, Refer to Section J on page 205.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (read the next section for more information).

E3. Level 1 Appeal for services, items, and drugs (not Part D drugs)

What is an Appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. If you or your doctor or other provider disagree with our decision, you can appeal. In all cases, you must start your appeal at Level 1.

If you need help during the appeals process, you can call the Healthy Connections Prime Advocate at 1-844-477-4632 (TTY users should call 711). The Healthy Connections Prime Advocate is not connected with us or with any insurance company or health plan.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

What is a Level 1 Appeal?

A Level 1 Appeal is the first appeal to our plan. We will review your coverage decision to find out if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing.

If we tell you after our review that the service or item is not covered, your case can go to a Level 2 Appeal.

How do I make a Level 1 Appeal?

- To start your appeal, you, your doctor, other provider, or your representative must contact us. You can call us at 1-855-735-4398 (TTY: 711). Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. For additional details on how to reach us for appeals, refer to Chapter 2, Section A, page 17.
- You can ask us for a “standard appeal” or a “fast appeal.”
- If you are asking for a standard appeal or fast appeal, make your appeal in writing or call us.
 - You can submit a request to the following address:

Wellcare Prime by Absolute Total Care (Medicare-Medicaid Plan)

Attn: Appeals and Grievances – Medicare Operations

St. Louis, MO 63105
 - You may also ask for an appeal by calling us at 1-855-735-4398 (TTY: 711). Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on

At a glance: How to make a Level 1 Appeal

You, your doctor, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing.
- Keep reading this section to learn about what deadline applies to your appeal.

weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next businessday.

The legal term for “fast appeal” is “expedited reconsideration.”

Can someone else make the appeal for me?

Yes. Your doctor or other provider can make the appeal for you. Also, someone besides your doctor or other provider can make the appeal for you, but first you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

If we don't get this form, and someone is acting for you, your appeal request will be dismissed. If this happens, you have a right to have someone else review our dismissal. We will send you a written notice explaining your right to ask the Independent Review Organization to review our decision to dismiss your appeal.

To get an Appointment of Representative form, call Member Services and ask for one, or visit www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or our website at mmp.absolutetotalcare.com.

If the appeal comes from someone besides you or your doctor or other provider, we must get the completed Appointment of Representative form before we can review the appeal.

How much time do I have to make an appeal?

You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you had a serious illness, or we gave you the wrong information about the deadline for requesting an appeal. You should explain the reason your appeal is late when you make your appeal.

NOTE: If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing. Read “Will my benefits continue during Level 1 appeals” on page 176 for more information.

Can I get a copy of my case file?

Yes. Ask us for a free copy by calling Member Services at the number at the bottom of the page.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Can my doctor give you more information about my appeal?

Yes, you and your doctor may give us more information to support your appeal.

How will we make the appeal decision?

We take a careful look at all of the information about your request for coverage of medical care. Then, we check if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision.

If we need more information, we may ask you or your doctor for it.

When will I hear about a “standard” appeal decision?

We must give you our answer within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug). We will give you our decision sooner if your health condition requires us to.

- However, if you ask for more time or if we need to gather more information, we can take up to 14 more calendar days. If we decide we need to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 205.
- If we do not give you an answer to your appeal within 30 calendar days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug) or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item. You will be notified when this happens. If your problem is about coverage of a Healthy Connections Medicaid service or item, you can file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, refer to Section E4 on page 177.

If our answer is Yes to part or all of what you asked for, we must approve or give the coverage within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. Will my benefits continue during Level 1 appeals?

If we decide to change or stop coverage for a service that was previously approved, we will send you a notice at least 10 calendar days before taking the action. If you disagree with the action, you can file a Level 1 Appeal and ask that we continue your benefits while the appeal is pending. You must **make the request on or before the later of the following** in order to continue your benefits:

- Within 10 calendar days of the mailing date of our notice of action; **or**
- The intended effective date of the action.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

If you meet this deadline, you can keep getting the disputed service while your appeal is processing.

E4. Level 2 Appeal for services, items, and drugs (not Part D drugs)

If the plan says No at Level 1, what happens next?

If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter will tell you if the service or item is usually covered by Medicare and/or Healthy Connections Medicaid.

- If your problem is about a **Medicare** service or item, you will automatically get a Level 2 Appeal with the Independent Review Entity (IRE) as soon as the Level 1 Appeal is complete.
- If your problem is about a **Healthy Connections Medicaid** service or item, you can file a Level 2 Appeal yourself with the Division of Appeals and Hearings. The letter will tell you how to do this. Information is also below.
- If your problem is about a service or item that could be **covered by both Medicare and Healthy Connections Medicaid**, you will automatically get a Level 2 Appeal with the IRE for a review regarding Medicare coverage. You can also ask for a Level 2 Appeal with the Division of Appeals and Hearings for a review regarding Medicaid coverage.

What is a Level 2 Appeal?

A Level 2 Appeal is the second appeal, which is done by an independent organization that is not connected to the plan. It is either the Independent Review Entity (IRE) or it is the Division of Appeals and Hearings. The IRE is an independent organization hired by Medicare. It is not a government agency. Medicare oversees its work.

My problem is about a Healthy Connections Medicaid service or item. How can I make a Level 2 Appeal?

A Level 2 Appeal for Healthy Connections Medicaid services and items is called a “State Fair Hearing.”

If you want to request a State Fair Hearing, you must contact the Division of Appeals and Hearings in writing. You must ask for a State Fair Hearing **within 120 calendar days** of the date of our Level 1 decision, unless the Division of Appeals and Hearings extends the deadline for you.

You can ask for a State Fair Hearing by filing your request online at msp.scdhhs.gov/appeals.

You can also deliver your request in person, fax your request to 803-255-8206, or write to:

Division of Appeals and Hearings
South Carolina Department of Health and Human Services

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

P.O. Box 8206
Columbia, SC 29202-8206

If a hearing is granted, the Division of Appeals and Hearings will mail you a notice giving the time, date, and place of the hearing. During the hearing, an impartial hearing officer will listen to your explanation of why you do not agree with our action. The hearing officer will also listen to our explanation of the action taken. The hearing officer will ask questions to get enough information to decide if your case was handled correctly.

- The Division of Appeals and Hearings must give you a hearing decision within 90 calendar days of the date you filed an appeal with the plan.
- If you qualify for a fast review, the Division of Appeals and Hearings will give you a hearing decision within 3 business days.
 - However, if the Division of Appeals and Hearings needs to gather more information that may benefit you, it can take up to 14 more calendar days.
 - If the Division of Appeals and Hearings needs extra days to make a decision, it will tell you by letter.

My problem is about a Medicare service or item. What will happen at the Level 2 Appeal?

An Independent Review Entity (IRE) will carefully review the Level 1 decision and decide whether it should be changed.

- You do not need to request the Level 2 Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be notified when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Member Services at the number at the bottom of the page.

The IRE must give you an answer to your Level 2 Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

If you had a “fast appeal” at Level 1, you will automatically have a fast appeal at Level 2. The IRE must give you an answer within 72 hours of when it gets your appeal.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

What if my service or item is covered by both Medicare and Healthy Connections Medicaid?

If your problem is about a service or item that could be covered by both Medicare and Healthy Connections Medicaid, we will automatically send your Level 2 Appeal to the Independent Review Entity for a review regarding Medicare coverage. You can also submit a Level 2 Appeal to the Division of Appeals and Hearings for a review regarding Healthy Connections Medicaid coverage. Follow the instructions on page 177.

Will my benefits continue during Level 2 appeals?

If we decide to change or stop coverage for a service that was previously approved, you can ask to continue your benefits during Level 2 Appeals in some cases.

- If your problem is about a service covered by Medicare, your benefits for that service will **not** continue during the Level 2 Appeal with the Independent Review Entity.
- If your problem is about a service covered by Healthy Connections Medicaid (including a service covered by both Medicare and Healthy Connections Medicaid), you can ask that your benefits for that service continue during the Level 2 Appeal with the Division of Appeals and Hearings. You must make the request on or before the later of the following in order to continue your benefits:
 - Within 10 calendar days of the plan's Level 1 Appeal decision; **or**
 - The intended effective date of the action.
- If you meet this deadline, you can keep getting the disputed service while your appeal is processing.

How will I find out about the decision?

If your Level 2 Appeal went to the Division of Appeals and Hearings, they will send you a letter explaining their decision.

- If the Division of Appeals and Hearings says **Yes** to part or all of what you asked for, we must authorize the coverage within 72 hours.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- If the Division of Appeals and Hearings says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called “upholding the decision.” It is also called “turning down your appeal.”

If your Level 2 Appeal went to the Independent Review Entity (IRE), it will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for in your standard appeal, we must authorize the medical care coverage within 72 hours or give you the service or item within 14 calendar days from the date we get the IRE’s decision. If you had a fast appeal, we must authorize the medical care coverage or give you the service or item within 72 hours from the date we get the IRE’s decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE’s decision. If you had a fast appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE’s decision.
- If the IRE says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called “upholding the decision.” It is also called “turning down your appeal.”

What if I appealed to both the Independent Review Entity and the Division of Appeals and Hearings and they have different decisions?

If either the Independent Review Entity or the Division of Appeals and Hearings decides **Yes** for all or part of what you asked for, we will give you the approved service or item that is closest to what you asked for in your appeal.

If the decision is No for all or part of what I asked for, can I make another appeal?

If your Level 2 Appeal went to the Division of Appeals and Hearings, and you do not agree with the hearing officer’s decision, you can file an appeal to the Administrative Law Court. You must file this appeal within 30 calendar days of the date you were notified of the decision. There is a fee to appeal.

If your Level 2 Appeal went to the Independent Review Entity (IRE), you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. The letter you get from the IRE will explain additional appeal rights you may have.

Refer to Section I on page 204 for more information on additional levels of appeal.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

E5. Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for personal care services, specialized medical supplies, prosthetics, dental services and orthotic devices covered only by Healthy Connections Medicaid.

If you get a bill that is more than your copay for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem.

For more information, start by reading Chapter 7: “Asking us to pay a bill you have gotten for covered services or drugs.” Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Can I ask you to pay me back for your share of a service or item I paid for?

Remember, if you get a bill that is more than your copay for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will find out if the service or item you paid for is a covered service or item, and we will check if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send you the payment for our share of the cost of the service or item within 60 calendar days after we get your request. If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item, and explaining why.

What if we say we will not pay?

If you do not agree with our decision, **you can make an appeal.** Follow the appeals process described in Section E3 on page 172. When you follow these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we get your appeal.
- If you are asking us to pay you back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

If we answer **No** to your appeal and the service or item is usually covered by Medicare, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment you asked for to you or to the provider within 60 calendar days.
- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called “upholding the decision” or “turning down your appeal.”) The letter you get will explain additional appeal rights you may have. You can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. Refer to Section I on page 204 for more information on additional levels of appeal.

If we answer **No** to your appeal and the service or item is usually covered by Healthy Connections Medicaid, you can file a Level 2 Appeal yourself (refer to Section E4 on page 177).

F. Part D drugs

F1. What to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these drugs are “Part D drugs.” There are a few drugs that Medicare Part D does not cover but that Healthy Connections Medicaid may cover. **This section only applies to Part D drug appeals.**

The Drug List includes some drugs with an “NT”. These drugs are **not** Part D drugs. Appeals or coverage decisions about drugs with an “NT” symbol follow the process in **Section E** on page 169.

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:
 - Asking us to cover a Part D drug that is not on the plan’s Drug List
 - Asking us to waive a restriction on the plan’s coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan’s Drug List but we require you to get approval from us before we will cover it for you).

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

NOTE: If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.

- You ask us to pay for a prescription drug you already bought. This is asking for a coverage decision about payment.

The legal term for a coverage decision about your Part D drugs is “**coverage determination.**”

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions **and** how to request an appeal.

Use the chart below to help you decide which section has information for your situation:

Which of these situations are you in?			
<p>Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?</p> <p>You can ask us to make an exception. (This is a type of coverage decision.)</p> <p>Start with Section F2 on page 184. Also refer to Sections F3 and F4 on pages 184 and 185.</p>	<p>Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?</p> <p>You can ask us for a coverage decision.</p> <p>Skip ahead to Section F4 on page 185.</p>	<p>Do you want to ask us to pay you back for a drug you already got and paid for?</p> <p>You can ask us to pay you back. (This is a type of coverage decision.)</p> <p>Skip ahead to Section F4 on page 185.</p>	<p>Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?</p> <p>You can make an appeal. (This means you are asking us to reconsider.)</p> <p>Skip ahead to Section F5 on page 189.</p>

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

F2. What an exception is

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on our Drug List or is not covered in the way you would like, you can ask us to make an “exception.”

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor or another prescriber can ask us to make:

1. Covering a Part D drug that is not on our Drug List.
 - You cannot ask for an exception to the copay or coinsurance amount we require you to pay for the drug.
2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, refer to Chapter 5, Section B, page 117).
 - The extra rules and restrictions on coverage for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called “prior authorization” (PA).)
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a **“formulary exception.”**

F3. Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally not approve your request for an exception.

We will say Yes or No to your request for an exception

- If we say **Yes** to your request for an exception, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section F5 on page 189 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

F4. How to ask for a coverage decision about a Part D drug or reimbursement for a Part D drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at 1-855-735-4398 (TTY: 711). Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. Include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section D on page 166 to find out how to give permission to someone else to act as your representative.
- You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, read Chapter 7, Section A, page 138 of this handbook. Chapter 7 describes times when you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- If you are asking for an exception, provide the “supporting statement.” Your doctor or other prescriber must give us the medical reasons for the drug exception. We call this the “supporting statement.”
- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement.

At a glance: How to ask for a coverage decision about a drug or payment

Call, write, or fax us to ask, or ask your representative or doctor or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from your doctor or other prescriber.
- You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

If your health requires it, ask us to give you a “fast coverage decision”

We will use the “standard deadlines” unless we have agreed to use the “fast deadlines.”

- A **standard coverage decision** means we will give you an answer within 72 hours after we get your doctor’s statement.
- A **fast coverage decision** means we will give you an answer within 24 hours after we get your doctor’s statement.

The legal term for “fast coverage decision” is “expedited coverage determination.”

You can get a fast coverage decision **only if you are asking for a drug you have not yet received**. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)

You can get a fast coverage decision **only if using the standard deadlines could cause serious harm to your health or hurt your ability to function**.

If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision, and the letter will tell you that.

- If you ask for a fast coverage decision on your own (without your doctor’s or other prescriber’s support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
 - We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
 - You can file a “fast complaint” and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 205.

Deadlines for a “fast coverage decision”

- If we are using the fast deadlines, we must give you our answer within 24 hours. This means within 24 hours after we get your request. Or, if you are asking for an exception, this means within 24 hours after we get your doctor’s or prescriber’s statement supporting your request. We will give you our answer sooner if your health requires it.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must give you the coverage within 24 hours after we get your request or your doctor's or prescriber's statement supporting your request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer within 72 hours after we get your request. Or, if you are asking for an exception, this means within 72 hours after we get your doctor's or prescriber's supporting statement. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request on to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must approve or give the coverage within 72 hours after we get your request or, if you are asking for an exception, your doctor's or prescriber's supporting statement.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about payment for a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we will make payment to you within 14 calendar days.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

F5. Level 1 Appeal for Part D drugs

- To start your appeal, you, your doctor or other prescriber, or your representative must contact us. Include your name, contact information, and information regarding your claim.
- If you are asking for a standard appeal, you can make your appeal by sending a request in writing. You may also ask for an appeal by calling us at 1-855-735-4398 (TTY: 711). Hours are from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day.
- If you want a fast appeal, you may make your appeal in writing or you may call us.
- Make your appeal request **within 60 calendar days** from the date on the notice we sent to tell you our decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make you appeal. For example, good reasons for missing the deadline would be if you have a serious illness that kept you from contacting us or if we gave you incorrect or incomplete information about the deadline for requesting an appeal.
- You have the right to ask us for a copy of the information about your appeal. To ask for a copy, call Member Services at the number at the bottom of the page.

At a glance: How to make a Level 1 Appeal

You, your doctor or prescriber, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or prescriber, or your representative can call us to ask for a fast appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

The legal term for an appeal to the plan about a Part D drug coverage decision is plan “redetermination.”

If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

If your health requires it, ask for a “fast appeal”

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- If you are appealing a decision our plan made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a “fast appeal.”
- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section F4 on page 185.

The legal term for “fast appeal” is “expedited redetermination.”

Our plan will review your appeal and give you our decision

- We take another careful look at all of the information about your coverage request. We check if we were following all the rules when we said **No** to your request. We may contact you or your doctor or other prescriber to get more information. The reviewer will be someone who did not make the original coverage decision.

Deadlines for a “fast appeal”

- If we are using the fast deadlines, we will give you our answer within 72 hours after we get your appeal, or sooner if your health requires it.
- If we do not give you an answer within 72 hours, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.
- **If our answer is Yes** to part or all of what you asked for, we must give the coverage within 72 hours after we get your appeal.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**.

Deadlines for a “standard appeal”

- If we are using the standard deadlines, we must give you our answer within 7 calendar days after we get your appeal, or sooner if your health requires it, except if you are asking us to pay you back for a drug you already bought. If you are asking us to pay you back for a drug you already bought, we must give you our answer within 14 calendar days after we get your appeal. If you think your health requires it, you should ask for a “fast appeal.”
- If we do not give you a decision within 7 calendar days, or 14 calendar days if you asked us to pay you back for a drug you already bought, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- **If our answer is Yes** to part or all of what you asked for:
 - If we approve a request for coverage, we must give you the coverage as quickly as your health requires, but no later than 7 calendar days after we get your appeal or 14 calendar days if you asked us to pay you back for a drug you already bought.
 - If we approve a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get your appeal request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No** and tells how to appeal our decision.

F6. Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing. The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will send them your case file. You have the right to ask us for a copy of your case file by calling Member Services at the number at the bottom of the page.
- You have a right to give the IRE other information to support your appeal.
- The IRE is an independent organization that is hired by Medicare. It is not connected with this plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal. The organization will send you a letter explaining its decision.

At a glance: How to make a Level 2 Appeal

If you want the Independent Review Entity to review your case, your appeal request must be in writing.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or other prescriber, or your representative can request the Level 2 Appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

The legal term for an appeal to the IRE about a Part D drug is **“reconsideration.”**

Deadlines for “fast appeal” at Level 2

- If your health requires it, ask the Independent Review Entity (IRE) for a “fast appeal.”
- If the IRE agrees to give you a “fast appeal,” it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for “standard appeal” at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 calendar days if you asked us to pay you back for a drug you already bought.
 - If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
 - If the IRE approves a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get the decision.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal.”

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE will tell you the dollar value needed to continue with the appeal process.

G. Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you when your discharge date is.

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

G1. Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called “An Important Message from Medicare about Your Rights.” If you do not get this notice, ask any hospital employee for it. If you need help, please call Member Services at the number at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Read this notice carefully and ask questions if you don’t understand. The “Important Message” tells you about your rights as a hospital patient, including your rights to:

- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you are being discharged from the hospital too soon.

You should sign the Medicare notice to show that you got it and understand your rights. Signing the notice does **not** mean you agree to the discharge date that may have been told to you by your doctor or hospital staff.

Keep your copy of the signed notice so you will have the information in it if you need it.

- To look at a copy of this notice in advance, you can call Member Services at the number at the bottom of the page. You can also call 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free.
- You can also refer to the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.
- If you need help, please call Member Services or Medicare at the numbers listed above.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

G2. Level 1 Appeal to change your hospital discharge date

If you want us to cover your inpatient hospital services for a longer time, you must request an appeal. A Quality Improvement Organization will do the Level 1 Appeal review to find out if your planned discharge date is medically appropriate for you.

In South Carolina, the Quality Improvement Organization is called KEPRO. To make an appeal to change your discharge date, call KEPRO at 1-888-317-0751 (TTY: 1-855-843-4776).

Call right away!

Call the Quality Improvement Organization **before** you leave the hospital and no later than your planned discharge date. “An Important Message from Medicare about Your Rights” contains information on how to reach the Quality Improvement Organization.

- **If you call before you leave**, you are allowed to stay in the hospital after your planned discharge date without paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
- **If you do not call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you get after your planned discharge date.
- **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details, refer to Section G4 on page 197.

At a glance: How to make a Level 1 Appeal to change your discharge date

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. These experts are not part of our plan.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Ask for a “fast review”

You must ask the Quality Improvement Organization for a “**fast review**” of your discharge. Asking for a “fast review” means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

The legal term for “fast review” is “**immediate review.**”

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don’t have to prepare anything in writing, but you may do so if you wish.
- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the number at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you can refer to the sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices

What if the answer is Yes?

- If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of

the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.

- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal.

G3. Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

In South Carolina, the Quality Improvement Organization is called KEPRO. You can reach KEPRO at 1-888-317-0751 (TTY: 1-855-843-4776).

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at 1-888-317-0751 and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

G4. What happens if you miss an appeal deadline

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization (which is within 60 days or no later than your planned discharge date, whichever comes first), you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we look at all of the information about your hospital stay. We check if the decision about when you should leave the hospital was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a “fast review.”
- **If we say Yes to your fast review**, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary.
- It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No to your fast review**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital *after* your planned discharge date, then **you may have to pay the full cost** of hospital care you got after the planned discharge date.
- To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process.

At a glance: How to make a Level 1 Alternate Appeal

Call our Member Services at the number at the bottom of the page. Ask for a “fast review” of your hospital discharge date. The call is free.

We will give you our decision within 72 hours.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

The legal term for “fast review” or “fast appeal” is “expedited appeal.”

Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 205 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says **Yes** to your appeal, then we must pay you back for our share of the costs of hospital care you got since the date of your planned discharge. We must also continue our coverage of your hospital services for as long as it is medically necessary.
- If the IRE says **No** to your appeal, it means they agree with us that your planned hospital discharge date was medically appropriate.
- The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge. Please refer to Section I on page 204 for more information about Level 3 Appeals.

At a glance: How to make a Level 2 Alternate Appeal

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

H. What to do if you think your home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only:

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- Home health care services.
- Skilled nursing care in a skilled nursing facility.
- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation.
 - With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
 - When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

H1. We will tell you in advance when your coverage will be ending

You will get a notice at least two days before we stop paying for your care. This is called the “Notice of Medicare Non-Coverage.” The written notice tells you the date we will stop covering your care and how to appeal this decision.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

When your coverage ends, we will stop paying.

H2. Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section J on page 205 tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at the number at the bottom of the page. Or call your State Health Insurance Assistance Program, known as I-CARE in South Carolina, at 1-800-868-9095.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

During a Level 1 Appeal, a Quality Improvement Organization will review your appeal and decide whether to change the decision we made. In South Carolina, the Quality Improvement Organization is called KEPRO. You can reach KEPRO at 1-888-317-0751 (TTY: 1-855-843-4776). Information about appealing to the Quality Improvement Organization is also in the “Notice of Medicare Non-Coverage.” This is the notice you got when you were told we would stop covering your care.

At a glance: How to make a Level 1 Appeal to ask the plan to continue your care

Call the Quality Improvement Organization for your state at 1-888-317-0751 and ask for a “fast-track appeal.”

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. These experts are not part of our plan.

What should you ask for?

Ask them for a “fast-track appeal.” This is an independent review of whether it is medically appropriate for us to end coverage for your services.

What is your deadline for contacting this organization?

- You must contact the Quality Improvement Organization no later than noon of the day after you got the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, refer to Section H4 on page 202.

The legal term for the written notice is “**Notice of Medicare Non-Coverage.**” To get a sample copy, call Member Services at the number at the bottom of the page or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or refer to a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices

What happens during the Quality Improvement Organization’s review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

- When you ask for an appeal, the plan must write a letter to you and the Quality Improvement Organization explaining why your services should end.
- The reviewers will also look at your medical records, talk with your doctor, and review information that our plan has given to them.
- **Within one full day after reviewers have all the information they need, they will tell you their decision.** You will get a letter explaining the decision.

The legal term for the letter explaining why your services should end is “**Detailed Explanation of Non-Coverage.**”

What happens if the reviewers say Yes?

- If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

- If the reviewers say **No** to your appeal, then your coverage will end on the date we told you. We will stop paying our share of the costs of this care.
- If you decide to keep getting the home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date your coverage ends, then you will have to pay the full cost of this care yourself.

H3. Level 2 Appeal to continue your care

If the Quality Improvement Organization said **No** to the appeal **and** you choose to continue getting care after your coverage for the care has ended, you can make a Level 2 Appeal.

During the Level 2 Appeal, the Quality Improvement Organization will take another look at the decision they made at Level 1. If they say they agree with the Level 1 decision, you may have to pay the full cost for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

Level 1 Alternate Appeal to continue your care for longer

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we look at all of the information about your home health care, skilled nursing facility care, or care you are getting at a Comprehensive Outpatient Rehabilitation Facility (CORF). We check if the decision about when your services should end was fair and followed all the rules.

- **If we say No** to your fast review, we are saying that stopping your services was medically appropriate. Our coverage ends as of the day we said coverage would end.
 - If you continue getting services after the day we said they would stop, **you may have to pay the full cost** of the services.

Level 2 Alternate Appeal to continue your care for longer

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 205 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan, and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal.

At a glance: How to make a Level 2 Alternate Appeal to require that the plan continue your care

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you details about how to go on to a Level 3 Appeal, which is handled by a judge.

I. Taking your appeal beyond Level 2

I1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you do not agree with the ALJ or attorney adjudicator’s decision, you can go to the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free.

For more information, visit mmp.absolutetotalcare.com.

If you need assistance at any stage of the appeals process, you can contact the Healthy Connections Prime Advocate. The phone number is 1-844-477-4632. TTY users should call 711.

I2. Next steps for Healthy Connections Medicaid services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Healthy Connections Medicaid services or items, and both of your appeals have been turned down, you have the right to additional levels of appeal. If you have questions after your Level 2 Appeal, contact the Healthy Connections Prime Advocate at 1-844-477-4632. TTY users should call 711. This advocate will explain your options and will always act in your best interest.

Level 3 of the appeals process is an Administrative Law Court (ALC) hearing. If you want an ALC hearing, start by completing the “Request for Contested Case Hearing” form available at www.scalc.net/pub/pubRequestForContestedCaseHearing.pdf. You must submit this form within 30 calendar days of the date you were notified of the Level 2 decision. There is a \$25 fee to appeal. If you cannot afford the fee, you can file a “Request to Waive Filing Fee.” This form can be found at www.scalc.net/pub/pubRequestToWaiveFilingFee.pdf.

If you are appealing a Level 2 decision made by hearing, you will be responsible for the cost of making a transcript of the hearing. A transcript is a written record of the hearing. The cost of the transcript is approximately \$16 for each hour that the transcriptionist spends typing the transcript.

The rules for appealing to the ALC are found at www.scalc.net/rules.aspx. If you do not follow the rules, your appeal may be dismissed.
