E. Pharmacies

This part of the Directory provides a list of pharmacies in Wellcare Prime's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

Wellcare Prime members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Wellcare Prime *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about Wellcare Prime network pharmacies in your area, please visit our website or call Member Services using the information at the bottom of the page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Wellcare Prime's *List of Covered Drugs*. The current *List of Covered Drugs* can be found on our website at mmp.absolutetotalcare.com. Or you may contact Member Services using the information at the bottom of the page.

E1. How to identify pharmacies in our network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Specialty pharmacies provide members with drugs used to treat complex or rare chronic conditions, such as cancer, rheumatoid arthritis, hemophilia, or H.I.V.

You are not required to continue using the same pharmacy to fill your prescriptions.

 **If you have questions**, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free. **For more information**, visit mmp.absolutetotalcare.com.

E2. Long-term supplies of prescriptions

- **Mail Order Programs.** We offer a mail order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 90-day supply has the same copay as a one-month supply.**

If you have questions, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. F2. Mail order pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program. If the mail order pharmacy gets a prescription directly from a prescriber, they will call you first to confirm you want the drug(s). Please make sure to let the pharmacy know the best way to contact you.

You also have the choice to sign up for automated mail order delivery.

Typically, you should expect to get your prescription drugs within 10 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at the number at the bottom of the page. Or call your mail order pharmacy, CVS Caremark at 1-866-808-7471 (TTY:711), 24 hours a day, seven days a week. To learn more about mail order pharmacies, refer to Chapter 5 of the *Member Handbook*.

 **If you have questions**, please call Wellcare Prime at 1-855-735-4398 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on federal holidays, you may be asked to leave a message. Your call will be returned within the next business day. The call is free. **For more information**, visit mmp.absolutetotalcare.com.
